ANALYSIS

This is the first request for an Extension of Time of an approved Site Development Plan Review (SDR-20957) for a nine-lot addition to an existing Mobile/Manufactured Home Park at 1200 North Lamb Boulevard. In the time since the original approval of the Site Development Plan Review (SDR-20957), the applicant has not been issued any permits for the lot additions to the Mobile/Manufactured Home Park. Title 19.18.050 deems a Site Development Plan Review exercised upon the issuance of a building permit for the principal structure on site, unless otherwise specified in connection with its approval.

FINDINGS

The Site Development Plan Review (SDR-20957) has not met the requirements outlined in Title 19.18.050 to exercise the entitlement. The applicant is requesting an extension of time to complete construction activities for the project. Staff recommends approval of this request with a two-year time limit. Conformance to the conditions of approval of Site Development Plan Review (SDR-20957) shall be required.
